

# **LEHIGH FUELS - Pre Buy Programs**

## **Terms and Conditions**

### **For a Fixed Price or Fixed Price 6 Month Easy Pay/Budget Program:**

- \* All contracted gallons will be delivered at contracted price until all gallons have been delivered. The customer must receive delivery of all pre-purchased gallons from this contract prior to receiving gallons from any subsequent pre-paid program offered by Lehigh Fuels LLC or delivered at posted market price. After all pre-purchased gallons have been delivered, subsequent deliveries will be billed at Lehigh Fuels LLC market price on day of delivery. An inventory charge of \$5.00/month may be assessed against the customer's credit balance for any contracted gallons not delivered by September 30, of pre-pay year.
- \* Delivery period begins: September 1 of the heating oil year & delivered until purchased gallons are used!
- \* **All participants must be on automatic delivery. All deliveries must be consecutive. Purchasing fuel from another supplier during the contracted delivery period will void this contract and a market assessment fee may apply.**
- \*\*Previous remaining pre-pay gallons will be delivered prior to the start of this agreement.\*\***
- \* **If a refund is requested for any reason, it is subject to approval by Lehigh Fuels LLC. A market assessment fee may apply.**
- \* Signature and/or payment obligates Lehigh Fuels LLC for delivery and obligates the customer for receipt of contracted gallons. Enrollment begins after deposit is received. Contract void if full contracted amount is not paid in full by: Aug. 15, (of heating oil year); For Fixed price programs December 15, (of heating oil year) for Fixed Price Easy Pay; deposit and installment payments will be forfeited. Additionally, a market assessment fee may apply.
- \* **If customer wishes to discontinue Automatic Delivery after all pre-purchased gallons have been delivered, the customer must notify Lehigh Fuels LLC in writing that they do not wish further automatic deliveries.**
- \* All over due balances must be paid prior to September 1, (of the heating oil year).
- \* **Minimum deposit must be made with contract application. Balance must be paid by August 15, of heating oil year (for Fixed Price) or December 15, of heating oil year (for Easy Pay/Budget).**
- \* Budget payments are due from July to December for the heating oil year. All contracted gallons will be delivered at the purchase price until all purchased gallons have been delivered.
- \* Sales tax (for rental units), if applicable, must be paid in advance.

### **For Capped Gallons:**

- \* Full CAP payment is due with signed contract.
- \* Price protection fee serve as an insurance policy and are non-refundable. If you would like to Cap more than 1,000 gallons, please call the office.
- \* Gallons capped apply to consecutive deliveries.
- \* Price per gallon not to exceed your budget or automatic customer until all capped gallons are delivered.
- \* Cap deliveries will start September 1, (of the heating oil year) and end May 31, (of the heating oil year).
- \* **6 Month Budget payments start in July and end in December.**
- \* Accounts outstanding must be paid in full before entering the program.
- \* Customer must be on automatic delivery.
- \* Delivery fees apply if customer requests less than 150 gallons.
- \* Previous pre-pay gallons will be delivered prior to the start of this agreement and are not covered under this year's cap.
- \* Budget Payments must be received on time or customer will be disqualified from this agreement and forfeit fees.
- \* In the event the customer discontinues services, a cancellation fee may apply.
